

**BUILDING COMMUNITY
THROUGH ART**

Dear Friends + Supporters:

For nearly a century, **the Indy Art Center has served as a welcoming hub of creativity**, a place where the magic of art unites with the heartbeat of the community. Our unwavering mission is to offer accessible and inclusive art experiences that inspire creativity, educate, engage, and enrich our communities, and harness the transformative power of creativity to foster understanding and connection – ensuring that it is always Everybody’s Art at the Indy Art Center.

The Indy Art Center is not just a venue; it is a vibrant cultural destination for the community to experience the full life cycle of artwork, from ideation and creation in studios to exhibition in the galleries and throughout our 9.5-acre ARTSPARK.

Our initiatives reach far and wide, supporting veterans, youth, seniors, and underserved communities, ensuring that art is a gift shared by all. Through programs like ArtTroop and ArtReach, participants discover artistic outlets that enhance well-being, forge deep community connections, and nurture curiosity and artistic confidence. These initiatives have brought about profound changes for our neighbors, improving mental health and fostering social bonds among participants.

In 2024, the Indy Art Center embarked on a strategic planning process to ensure that we continue to thrive as a unique cultural asset, aligning our updated mission with the evolving needs of the community. This process was driven by a commitment to leading a new era of growth and opportunity and to providing accessible and inclusive art experiences that inspire, educate, and enrich lives.

We are committed to elevating all our programs from studio art education, to outreach initiatives, to sharing diverse voices through art exhibitions. Our dedication to creating an inclusive and accessible environment ensures that everyone has the opportunity to experience the power of art to connect and unite.

In light of our success and impact, I am thrilled to announce the public launch of our capital campaign, ***Building Community Through Art***, with an ambitious goal of raising \$8.8 million. Your contributions, alongside the support of numerous organizations and individuals, will fuel critical upgrades to modernize our studios and galleries, enhance our campus and outdoor spaces, and expand our educational programs.

Join us in building a stronger, more vibrant Indianapolis through this historic campaign. Your support is the key to making our vision a reality, ensuring that the Indy Art Center remains a dynamic haven for artistic expression and cultural enrichment. I am confident that you will find our plans inspiring and I hope that you will join our most impactful fundraising effort in securing the Indy Art Center's legacy for years to come.

Thank you for being a part of the Indy Art Center family. Together, we can craft a legacy of creativity and community that will inspire and uplift future generations.

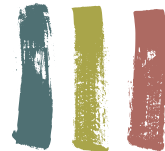

Warm regards,

Mark Williams
